## **KP Horoscope Analysis**

### **Result of Sun in Various Houses -**

In your KP Cusp Kundali, Sun is situated in the 3rd-house. For this, you will be courageous - although there could be fear of bone-breakage or from poison or outbreak of fire. You may gain some fame through your writings, travel quite a lot, and have change of residence quite a few times. It is however not favorable for the health and well being of siblings (younger and older both). If Sun is situated in sign Libra, then you will be a wealthy person; if a natural benefic planets influences Sun, then you may suffer from skin-disease; but if a natural malefic planet influences instead, then you may get into difficulties with some punitive government authorities.

### **Result of Sun in Various Signs -**

In your KP Cusp Kundali, Sun is situated in sign Scorpio. For this, you are likely to have a full-fleshed body of stout build with broad face, tanned or dun complexion, and brownish hair. Your mind will be ingenious, and you will be overly ambitious. You will be endowed with a rugged and overbearing temper; with your brusque manners and abrupt behavior, you may tend to drive away your adversaries. You may not admit of any equal, and tend to bulldoze your way through life. You may suffer from ailments like obstructions in the stomach, urinary problems, venereal distemper, etc.

### **Result of Moon in Various Houses -**

In your KP Cusp Kundali, Moon is situated in the 12th-house. For this, you will have great interest in all kinds of mysteries and investigations; but you may also have some fanciful fears of the unknown in the initial stages. Some jealous people could be secretly working against you - some of whom might be female persons - could create troubles for you. You may even have forced transfer or even premature retirement owing to unexpected developments. However, you will have success in isolated condition in remote places. If Moon is situated in sign Taurus or Cancer or Scorpio, then you will come up in life in a quite spectacular manner by efficiently making use of a bright opportunity coming your way - at a fairly early period in your career.

### **Result of Moon in Various Signs -**

In your KP Cusp Kundali, Moon is situated in sign Virgo. For this, you are likely to have a rather tall stature with dark hair, oval face, and somewhat ruddy complexion. You will have an ingenious mind and reserved nature; you may have a melancholic temperament, and may not be able to attain a coveted position in life. You may not be very active, and will rarely perform some really very commendable deeds. You are likely to suffer from obstruction and weakness in the arms and shoulders, pain in the stomach, disorder of the bowels, affection of blood, etc.

### **Result of Mars in Various Houses -**

In your KP Cusp Kundali, Mars is situated in the 7th-house. If Mars is situated in sign Aries or Scorpio or Capricorn, then you will be very fortunate - as you will enjoy the beneficial results of 'Ruchak Yoga' (a 'Pancha Maha-Purusha Yoga' combination). For this, you will be very energetic and splendid, and will achieve your objectives by dint of valorous deeds. You may be skillful in 'Mantras' and 'Yantras'. But if Mars is situated in sign Cancer, then

your first marriage may prove to be a fail, and you may marry for a second time. If Mars is situated in any other sign, then it is not favorable for the health and well being of your spouse; besides, you may face stiff opposition, lawsuit, or even open combat with a quite powerful person.

### **Result of Mars in Various Signs -**

In your KP Cusp Kundali, Mars is situated in sign Pisces. For this, you are likely to have a rather fleshy body-structure of average stature with obscure complexion and light-colored hair. If neither Jupiter nor Venus influences Mars, then you may feel dispirited and acquire a desolate and forlorn look. You might be somewhat indolent, careless and self-indulgent - for which reasons, you may not be very fortunate. You may suffer from ailments like affection of heart, pain in the legs and feet, etc.

### **Result of Mercury in Various Houses -**

In your KP Cusp Kundali, Mercury is situated in the 2nd-house. For this, you will be fairly good-looking, soft-spoken - having the gift of eloquence as well. You will be fairly wealthy, but your fortune may be somewhat unsteady or it may remain under the control of a close relative for quite a long duration; there is also some chance that you may incur some losses owing to theft or sharp practices. You will have good gains through your communications and publication of writings, and also from purchase and sale of handicrafts or other hand-made goods.
