8/20/32/44/56/68/80/92/104/116

Sudarshan Chakra indicates the cumulative influence of benefic and malefic planets as reckoned from : (i) the Ascendant, (ii) the Moon and (iii) the Sun at a glance. This also pinpoints the corresponding age-periods during which those influences will operate.

If the influences are of natural benefic planets (Jupiter, Venus, Mercury, Waxing Moon) only, then the whole year will be enjoyable and auspicious events will take place.

If the influences are of natural malefic planets (Mars, Saturn, Rahu, Ketu, Sun, Waning Moon) only, then the year might be problematic and inauspicious happenings are likely to take place.

### Predictions from Tri-Ayudha Chakra

As per Nakshatra-reckoning from Sun's placement nakshatra to that of Moon's, as per Ratha Chakra, it falls on the space behind it's back portion; it's result is that - if counteracting combinations are not present in your chart - you will be fairly fortunate, but may have the habit of following others - rather than trying to become independent; for this reason, you may have to remain in service.

As per Nakshatra-reckoning from Sun's placement nakshatra to that of Moon's, as per Ghurna Chakra, it falls in the eighth portion; it's result is that - if counteracting combinations are not present in your chart - you will be a maker of your own fortune, which people call fate; for your prized qualities like diligence and perseverance, dame fortune will always be smiling on you.

As per Nakshatra-reckoning from Sun's placement nakshatra to that of Moon's, as per Chapa Chakra, it falls on the left side Bow-String joint; it's result is that - if counteracting combinations are not present in your chart - you may fall under adverse circumstances during sometime in your life; if it is so happens, then you will surely be able to find your way out on your own.

### **Recommendation for Suitable Rudraksha**

As you had been born in Navami Tithi, 9-faced Rudraksha is being recommended for you.

The presiding deity of this Rudraksha is Shakti. It is worn during Nava-ratra (during Dusshera or Durga Puja). To the wearer, it confers energy and power - which leads to wealth, and success in all endeavors.

While wearing the Rudraksha, you should chant any of the following Mantras :

Mantra For Rudraksha :

'Om Hrim Hum Namah.'

Panchakshari Mantra For Rudraksha :

'Om Hrim Vym Rum Lam.'

Alternate recommendation for Rudraksha :

Since your Moon's nakshatra-lord is Moon, 2-faced Rudraksha will also be suitable for you.

Some Tests for checking the genuineness of the Rudrakshas:

(a) Floatation test: When a genuine Rudraksha seed is gently placed on water, it will sink; but if a fake one is placed on water, it will always float.

(b) Copper Test: A genuine Rudraksha\* is very hot, and has electromagnetic attraction with Copper. If beads are held with a string over a small round thin piece of Copper metal sheet (like a piece of Copper coin of old days), they tend to show a slow gradual rotational movement. If the rotation is observed to be in clockwise direction, then it is considered auspicious; otherwise, it is to be rejected - as it might be defective.

(\* N.B.: Bhadraksha is similar to the Rudraksha - but it is of milder color and much less heat. It is suitable for old people and also for persons having weak constitution.)

(c) Milk test: If an authentic Rudraksha seed is kept in a cup of milk for a day, the milk will not get spoilt. But if it is a fake one, the milk is to become spoilt.

## What is KaalSarpa Yoga?

When all the planets are hemmed between Rahu and Ketu i.e., the moon's north node and the moon's south node KaalSarpa Yoga is formed. Complete KaalSarpa yoga is formed only when half of the chart is unoccupied by planets. Even if one planet is outside the Rahu Ketu Axis there is no KaalSarpa Yoga.

The general impacts of KaalSarpa dosha are following :

1. Hurdles in every important and auspicious work.
2. Lesser Mental peace.
3. Low self-confidence.
4. Deterioration of health and reduces longevity.

7. Anxiety and unnecessary Tensions.
8. Bad Relations with family members and friends.
9. Treachery from friends and colleagues.
10. Very less help from relatives and friends.

## **Prediction From Yogini Dasha**

### **Sankata[Rahu>(\*Hastha) Dasha (18:12:1973 To 09:05:1978)**

The time-period around the end of a cycle of Yogini Dasha is often found to produce unfavourable results. The dates of ending of the first, second and the third are respectively 09:05:1978, 09:05:2014 and 09:05:2050. You should remain careful and cautious during the period of about +/- 3 months from these three dates. The results enjoyed during the few closing months prior to these dates will depend on the disposition of Rahu in your chart and the results enjoyed during the few beginning months after these dates will depend on the condition of the Moon in your chart.

In your horoscope, Rahu is situated in your 4th house and a natural malefic planet is conjoined with it or aspects it - while no natural benefic planet influences it by conjunction or aspect either. This is an unfavorable combination. You should therefore remain very careful and cautious. Your crops or products may fail, and your earnings might start diminishing. The condition of your father's health may keep you in worried state. If you are amale person, married and have a child, then you may have to spend a good sum of money for your child as medical expenses.

As Rahu is situated in the star of the 5th-lord (or the 5th-lord is situated in the star of Rahu), it becomes a significator for your profession. Also as it is situated either in a Chara Rashi or an Ubhaya Rashi, and the 5th-lord is also similarly placed, this is a highly favorable combination. The period of Yogini Rahu Dasha will surely bring in many benefits and some favorable changes for you. You will receive due acclaim, and your rank and remuneration will increase in quick succession. You may stay in many places for long, and undertake many journeys to distant places as well.

In your horoscope, Rahu is situated in Ketu's Nakshatra. This is not a very favorable combination. You should remain careful and cautious - as there is some chance that you may face an accidental mishap or untoward happening. You should remain more careful during the onset of the 2nd year and also during the near-closing period at the end of the 8th year in Yogini Rahu Dasha.

As Mercury's profection nakshatra lord is situated in the 3rd house, you are likely to have a transfer or change of employment. You may have to go to a short distance place and your residence might also be shifted to a nearby place. But as the concerned planet happens to be a natural benefic, the change will offer you good financial benefits together with liberal perquisites; your standard of living will consequently be considerably improved.

As both of these two planets are dire malefics and they are mutually antagonistic to each other, you may have some sufferings during this Dasha-period; the condition may further worsen during its closing period of about 1 year 6 months. As both of these two planets tend to squeeze the inflow of income, facing a financial setback or having blockage of funds appears to be quite possible during this period - while the normal source of income may start drying up or become temporarily interrupted during the closing of this Dasha-period.

From around the 8th month, the things will start clearing up, and you may find better opportunities for expressing yourself.

As the 'yoga-sphuta' (profection point) is involved in favorable aspect with a natural benefic planet - and is also involved in unfavorable aspect with a natural malefic planet, during Yogini Mars Dasha, you will experience mixed results (favorable and otherwise both) (favorable and otherwise both). If your profession involves connection with the common public, at times you may feel irritated; but the things will not go out of hand - that is, will neither turn to be too bad nor last for too long - as a natural benefic planet also influences it.

### **Bhadrika[Mercury>(\*Punarvasu) Dasha (08:05:2060 To 09:05:2065)**

As Mercury is situated in the 3rd house in your horoscope, then you will have many journeys to short distance places. If your profession has some connection with newspaper, magazine, editing, communication, courier service or transport, then you will have exceptional progress. However, your income and expenditure both might fluctuate widely during this period.

As the 'yoga-sphuta' (profection point) is involved in favorable aspect with a natural benefic planet and is not involved in unfavorable aspect with a natural malefic planet, Yogini Mercury Dasha will be a fairly enjoyable for you. If your profession involves connection with the common public, you will develop a good rapport with them, and your popularity will also be considerably increased.

### **Ulka[Saturn>(\*Pushya) Dasha (09:05:2065 To 09:05:2071)**

As Saturn is situated in your 10th house, care and caution should become your watchword, and you must remain ever alert - for ensuring that you do not take any wrong step or adopt any doubtful measure. You are likely to have a pretty tough time ahead, and illusions can lead you astray. You should avoid speculative investments altogether, and beware of taking all sorts of risky ventures. If you are going to switch over a new employer, then you should look before you leap - as the prospect of being fired sooner than you think might hang on. If you are in business, then you may have a financial setback - which may arise quite suddenly and unexpectedly.

### **Siddha[Venus>(\*Ashlesha) Dasha (09:05:2071 To 09:05:2078)**

As Venus is situated in the 5th-house in your horoscope, you will have a very enjoyable period ahead. If you are not married, then you may fall in love with someone; but if you are

already married and expecting a child, then the legendary stork is on its way to bring the divine gift for you - possibly a beautiful girl. If you are looking for an employment, you may pretty soon be able to find a lucrative one; if you are already employed, then you can have an attractive promotion or new employment. If you are in business, then your earnings will increase substantially. You may also be drawn to speculative investment and entertainment fields; and if your profession has any connection with these fields, then you will have advancement in a significant degree.

As the 'yoga-sphuta' (profection point) is involved in favorable aspect with a natural beneficplanet and is not involved in unfavorable aspect with a natural malefic planet, Yogini Venus Dasha will be a fairly enjoyable for you. If your profession involves connection with the common public, you will develop a good rapport with them, and your popularity will also be considerably increased.

## Analysis of Kaal Chakra Dasha

### Cancer Dasha

(18:12:1973 To 23:07:1976)

As per K.C.D., the sign of your previous Dasha was Virgo, and the sign of the currently running Dasha is Cancer. The currently running Dasha is therefore a 'Mandooki' Gati Dasha as per K.C.D. During this Dasha-period, you should remain very careful and cautious; although you may not intentionally commit any mistake or irregularity, still you might be liable to suffer owing to some major change of rules and regulations. Alternately, there could be some change in the ranks; the new boss assuming office may not favorably be disposed to you - for no apparent reason. Transfer or change of employment to a place in the direction of 'East' or 'North' will be beneficial for you. The state of health of your brother or close relative (or an intimate friend) might cause you some concern.

At present, you are passing through the Kala-Chakra Dasha of sign Cancer. The lord of the Dasha-sign happens to be a natural benefic planet. The overall favorable and otherwise results to be experienced during this period will primarily depend on the respective influences of the (i) natural benefic planet(s) situated in the sign - if any, (ii) such planets aspecting the sign - if any, (iii) the natural malefic planet(s) situated in the sign - if any, and (iv) such planet(s) aspecting the sign - if any. ... These will secondarily depend on the respective influences of the (i) natural benefic planet(s) situated with the sign-lord - if any, (ii) such planets aspecting the sign-lord - if any, (iii) the natural malefic planet(s) situated with the sign-lord - if any, and (iv) such planet(s) aspecting the sign-lord - if any.

(The positions of planets are more important, and may be considered to be about twice in strength than the planetary aspects. Likewise, the influences of the planets on the Dasha-sign are more important, and may be considered to be about twice in strength than the influences of the planets on the lord of the Dasha-sign).

The Primary influences:

The Number of Natural Benefic Planets situated in the Dasha-sign = 0, and

The Number of Natural Benefic Planets aspecting the Dasha-sign = 2, and

The Number of Natural Malefic Planets situated in the Dasha-sign = 0, and

The Number of Natural Malefic Planets aspecting the Dasha-sign = 1, and

The Secondary influences:

The Number of Natural Benefic Planets situated with the lord of the Dasha-sign = -1, and

The Number of Natural Benefic Planets aspecting the lord of the Dasha-sign = 1, and

The Number of Natural Malefic Planets situated with the lord of the Dasha-sign = 1, and

The Number of Natural Malefic Planets aspecting the lord of the Dasha-sign =

0.

By considering the above-mentioned figures in the indicated manner, the overall favorable and otherwise results to expect can be estimated with a fair degree of accuracy. It is to be noted that the benefic and malefic influences do not precisely 'neutralize' each other - although they do 'modify' each other to a great extent.

Further to what had been mentioned above, for the Kala-Chakra Dasha of sign Cancer, the benefic influence score is = 31% (on a scale of 100 max.), the malefic influence score = 20%(on a scale of 100 max.).

At present, you are passing through the Kala-Chakra Dasha of sign Cancer. As the sign happens to be a movable (chara) sign, you are likely to have many changes during this Dasha-period. You will also travel a lot for pleasure and profit. Out of the 9 equal-duration Rashi-Bhuktis of this Dasha, the very first part - the Bhukti of sign Cancer - will bring in several opportunities for you.

In your horoscope, the K.C.D. 'Amsha'-Rashi is Taurus. This sign becoming the Amsha Rashi has some highly favorable indications. You are very much likely to become very wealthy. You may be a businessman; alternately, you may occupy a very senior position in a big business-house. During this Dasha-period (if it operates in your chart), and also during any other Dasha-period as per K.C.D., when the Bhukti-period of sign Taurus operates, you will have influx of wealth; your accumulations and acquisitions will increase, and you will move up the social ladder.

**(23:07:2040 To 23:07:2061)**

As per K.C.D., the sign of your previous Dasha was Virgo, and the sign of the currently running Dasha is Cancer. The currently running Dasha is therefore a 'Mandooki' Gati Dasha as per K.C.D. During this Dasha-period, you should remain very careful and cautious; although you may not intentionally commit any mistake or irregularity, still you might be liable to suffer owing to some major change of rules and regulations. Alternately, there could be some change in the ranks; the new boss assuming office may not favorably disposed to you - for no apparent reason. Transfer or change of employment to a place in the direction of 'East' or 'North' will be beneficial for you. The state of health of your brother or close relative (or an intimate friend) might cause you some concern.

At present, you are passing through the Kala-Chakra Dasha of sign Cancer. The lord of the Dasha-sign happens to be a natural benefic planet. The overall favorable and otherwise results to be experienced during this period will primarily depend on the respective influences of the (i) natural benefic planet(s) situated in the sign - if any, (ii) such planets aspecting the sign - if any, (iii) the natural malefic planet(s) situated in the sign - if any, and (iv) such planet(s) aspecting the sign - if any. ... These will secondarily depend on the respective influences of the (i) natural benefic planet(s) situated with the sign-lord - if any, (ii) such planets aspecting the sign-lord - if any, (iii) the natural malefic planet(s) situated with the sign-lord - if any, and (iv) such planet(s) aspecting the sign-lord - if any.

(The positions of planets are more important, and may be considered to be about twice in strength than the planetary aspects. Likewise, the influences of the planets on the Dasha-sign are more important, and may be considered to be about twice in strength than

the influences of the planets on the lord of the Dasha-sign).

The Primary influences:

The Number of Natural Benefic Planets situated in the Dasha-sign = 0, and

The Number of Natural Benefic Planets aspecting the Dasha-sign = 2, and

The Number of Natural Malefic Planets situated in the Dasha-sign = 0, and

The Number of Natural Malefic Planets aspecting the Dasha-sign = 1, and

The Number of Natural Malefic Planets aspecting the lord of the Dasha-sign = 0.

By considering the above-mentioned figures in the indicated manner, the overall favorable and otherwise results to expect can be estimated with a fair degree of accuracy. It is to be noted that the benefic and malefic influences do not precisely 'neutralize' each other - although they do 'modify' each other to a great extent.

Further to what had been mentioned above, for the Kala-Chakra Dasha of sign Cancer, the benefic influence score is = 31% (on a scale of 100 max.), the malefic influence score = 20%(on a scale of 100 max.).

Further to what has been mentioned above, as one or more natural malefic planet(s) - which is/ are retrograde - is/ are situated in the Bhukti-sign (which is the 6th from your Dasha-sign), you should remain very careful as you may face a critical situation. Nevertheless, you must not be worried - as you are likely to find an attractive new opportunity, and your position and status will be considerably improved.
