## Dharmi Teva

Some horoscopes are considered as Dharmi horoscopes in Lal-Kitab. According to Lal-kitab, Rahu, Ketu & Saturn are considered as malefic planets. Mars is also included in this group if it is showing negative results. In the Dharmi horoscopes, the negative affect of malefic planets gets reduced to a good extent.

If Jupiter is conjoined with Saturn in any house or if Saturn is posited in 11th house then the horoscope is known to be Dharmi. The combination of Jupiter and Saturn is capable of averting many adversities. Their placement especially in 6th, 9th, 11th or 12th house gives astonishing results. Such horoscopes are blessed with divine blessings. A horoscope also becomes Dharmi if Rahu or Ketu is posited in 4th house. The combination of Moon with Rahu or Ketu in any house of a horoscope also makes it a Dharmi Teva.

In Dharmi horoscope the native gets divine help in the time of crises. Since Saturn is considered to be the planet of judgement, its nature becomes soft and sympathetic towards the native because of its association with the planet of luck- Jupiter. Similarly, Rahu and Ketu (dragon's head & tail) are supposed to produce obstacles in the path of native. But they don't harm the native if they are posited in the 4th house or conjoined with moon in any house.

### Result

Your Horoscope is Dharmi horoscope.

## Semi - Blind (Night Blind) horoscope

According to Lal-Kitab, planets in some horoscopes don't show good results even though they are well placed. Such horoscopes are not favourable for professional success, mental peace or harmonious family life. These horoscopes can be compared to a person who is suffering from night blindness.

A horoscope is called as Semi-blind if it has Saturn in 7th house and sun in 4th house. In such condition, Saturn aspects sun by 10th aspect. The aspect of Saturn on sun is not considered to be auspicious moreover Saturn becomes powerful in 7th house thereby it spoils the result of 9th, 1st & 4th house, the houses of luck, health & comforts respectively.

Hence in such conditions, the remedies of Sun will be of no use. In such cases, to terminate the ill effects of Saturn, one must always follow the only the remedies of Saturn.

### Result

Your Horoscope is not night-blind horoscope.

## Blind horoscope

In a horoscope, 10th house plays a very important role as this house is linked with the status, profession and favours from the superiors. From the health point of view, it is associated with Bones, Back, Knee joint & Kneecap.

In general, it is connected with Profession, Source of Livelihood, Business affairs, Profession, Position in life, Status, Political power & dominance. The diseases related to this house are Leprosy and Leucoderma.

If 10th house has inimical planets posited there or there is no planet at all in the 10th house, then the horoscope is called as a Blind horoscope even though the natural lord of 10th house Saturn, is well placed or exalted in the horoscope. For e.g. Moon & Ketu, Saturn & Sun, Sun & Rahu etc are inimical to each other. Their placement in the 10th house will spoil the beneficial results of the other planets.

### Result

Your Horoscope is blind horoscope.

## Minor Horoscope

According to Lal-Kitab, in certain conditions some horoscopes are considered as minor till 12 years of age. The fate of such horoscopes is unpredictable till 12 years. Such horoscopes carry the effect of the karmas of their previous birth. The effect of the planets in these horoscopes can be compared with the results achieved by a minor, as a minor is dependent on adults in the family & cannot achieve much on its own. Similarly the planets in Minor horoscopes cannot show their full potential even though they are well placed.

A horoscope is said to be a Minor one if 1st, 4th, 7th and 10th houses do not have any planet or only Saturn, Rahu or Ketu are placed there or there is only mercury placed in above mentioned houses.

According to Lal-Kitab, the native of a minor horoscope experiences the effects of each planet, every year, till 12 years of age as per the given table below. For e.g. in the 1st year,

planets posited in the 7th house influence the native. In the 2nd year, planets in the 4th house play a major role on the destiny and so on. Hence, in order to counter the bad effects of these planets every year, natives must follow the remedies of the planets, which effect their life till 12 years of age.

## Result

Your Horoscope is not Minor horoscope.

There are various kinds of Yogas in a horoscope and all these yogas give rise to different kinds of results. There are both auspicious & inauspicious yogas in a horoscope. The auspicious ones produce good results whereas the inauspicious ones produce bad results. Of the various inauspicious yogas, one of them is Kalsarpa Yog. In a horoscope, when all the planets are placed in-between Rahu & Ketu, then it is called a Kalsarpa Yog. We may not find a detailed description of this yoga in the ancient astrology literatures, but we definitely cannot ignore it as well.

Even renowned ancient astrologers like Maharishi Garg, Parashar, Bhrigu, Varha Mihir etc have acknowledged Kalsarpa Yog. The ancient people have given special importance to Kalsarpa Yog. They have regarded Rahu-Ketu as Karmic planets, Rahu as the dragon's head & Ketu as the dragon's tail. Nobody has spoken about the good results of this Yoga. Rahu & Ketu are both shadowy planets and have no physical bodies, yet they are such inauspicious that the formation of Kalsarpa Yog due to these planets is known to give out bad results.

**Your horoscope is afflicted by Kal Sarpa Yog.**

**Lagna Chart**

The formation of Kalsarpa Yog in a horoscope in-between 10th and 4th house consists of Rahu in the tenth house and Ketu in the fourth house. The remaining planets are situated in between the tenth and fourth house. Such natives are deprived of the happiness from parents, face loss & betrayal in business, are under huge debts, not able to perform good deeds and always spend money more than their earning. Rahu in 10th house results in loss of happiness from parents. In detail, the natives never enjoy the happiness of the things related to tenth & fourth house.

Kalsarpa Yog results in various obstructions in a person's life till 42 years of age. Sometimes it may effect the person even after the specified period.

In detail, a person effected with Kalsarpa Yog undergoes physical problems throughout the life. The person never gets any relief from his/her troubles. There are always hurdles in acquiring education. The education that the native receives has no benefits in life. The person always has to face worries, opposition from relatives, is deprived from the happiness of children or spouse and loses energy in disputes, legal matters & quarrels. The person may also face imprisonment, betrayal from friends and trouble due to evil spirits. The person is under huge debts & the children's marriage may be delayed or maybe deprived of children. A family member may forsake the house and there may be no news of that person for many years. A member of the family may drown or may face some accidental death. The person becomes bankrupted in business.

The transit of Saturn into the zodiac sign from the house in which planet Moon is located at the time of your birth is known as Saade Saati of Saturn. The Saade Saati of Saturn has three phases: The transit of Saturn into twelfth house from Zodiac sign of birth is called the first phase. The transit into the birth sign is the second phase. The transit into the second sign from the birth sign is the third phase. As Saturn remains for two and half year in each phase that is why it is called Saade Saati. The seven and half years are never always unlucky only. The favourableness and unfavourableness of Saturn depends upon its relations (friendly/enemy/neutral) with the ruler of that particular house and according to the ownership of Saturn in the house of birth sign.

Your first phase of Saade Saati begins with the transit of Saturn into the Taurus sign and remains such till transition into the Cancer sign. In the Gemini sign, Saturn remains in the eighth house while ruling the fate and fortune. In the first Dhaiya (two and half years)

Saturn remains in the Taurus sign of its friendly planet Venus, while maintaining impression on centre and the triangle. Being located in the Taurus sign, Saturn's eye fall on second, sixth and fate house. The second and sixth are the enemy houses of Saturn, but fate is his own house. There may be some throat disease due to irregularity in taking meals and you may also suffer from diseases related to stomach upset, indigestion, acidity and gas problems. There is discord with high officials, forcing you to find an opportunity to take revenge. At such a time you may also get transferred or demoted. The sight of Saturn on the second house affects the family state, which may cause discord and you feel mentally and physically upset with your family. You lose interest in religion and in any kind of religious performances. In such a situation, you may lose sentiments of love, affection and hospitality. This situation may cause some problems for maternals also. You may go away from home for earning money. You do not keep faith in anybody in business and the partners may betray you. The shortage of funds prevail and your spouse, particularly the daughters may have to face troubles. As Saturn is in the ninth house, you may have to go abroad.

There are greater possibility of meeting accident or you may get injured by falling down. If you are undergoing some studies, you find failure. During this period, you are unable to differentiate between good or bad/ own or

alien, as such a location of Saturn illusions your mind. Saturn's third sight affects the state of brothers. Even on being located in the friendly sign, there remains fear of dispute with the brothers and sisters and you keep an enemy like attitude towards them. You may be blessed with a son. If there is ANTA DASHA YOG, then only stupid and wicked people come in contact. You may achieve perfectness or specialisation on any specific subject. The profession related to darkness are beneficial to you. You may have to face opposition from eldest child. You should control your anger, otherwise may have to face disputes or enmity with higher authorities. There may be loss in travelling. Due to the sight of Saturn on seventh house, there may be delayed marriage or disputes/separation between husband and wife. If you are a female, there are possibilities of miscarriage. You and your father may suffer from sickness and there is lackness in the delight from mother's side. Obstacles may arise in govt jobs and in earning fame. After two and a half years (One Dhaiya), you succeed in recovering your money, intelligence and happiness of your own and children. But there still remains bitterness in behaviour. You may succeed in earning money and reward in foreign countries. You should be careful while driving a vehicle. You remain a failure in the field of education. Your success turns into a failure. During this period, the down graded people, like servants help you. But you cannot avail even their help due to your nature.

After that, your third and last phase of Saade Saati begins with the transit of Saturn into the Cancer sign. In the third and the last phase, Saturn remains in the Cancer sign of its enemy planet Moon. This situation affects your family state. During this period, money is not saved and there remains ups and downs in business. There may be troubles for younger brothers and sisters or disputes among them. Your language turns harsh. You may acquire some throat disease. The third sight of Saturn affects the mother's state, which may cause friction in family and lackness in delight from mother. But you become very prompt and are respected in society and in friends circle. Though your enemies start loosing, they increase in number due to your harsh language. You keep on growing pious

and intelligent. In such a period, you may own a vehicle and the number of servants also increase. If you are a female there are possibilities of miscarriage and problems related to uterus. Mother and child both face distress but prodigality still prevails. The enemies face defeat and you may regain the lost and lended money. During this period, professions related to iron, darkness, oils, money and trading of articles related to Saturn, are very beneficial. For the remedy of sinner affects of Saturn, the following means may be applied in consultation with an able astrologer.

The complete period of Saturn's Saade Saati does not remain same. Its favourableness and unfavourableness depends upon the star under which Saturn is moving. The remedies for reducing the sinner effects of Saade Saati are based on Mantra, devotion, worship and donations. A thorough analysis of the horoscope is required in this regard, for the knowledge of remedies for reducing the harm. For the DOSH SHANTI, the following remedies may be adopted for lessening the sinner effects of Saade Saati. There are great possibilities of benefit, if these remedies are adopted prior to beginning of the Saade Saati :-

1. Lord Saturn should be worshipped and oil may be offered in temple on every Saturday.
2. In the evening, the following mantra of Saturn should be muttered for 108 times : "OM Sah Shanishcharai Namah" or "OM Sham Shanishchrai Namah".
3. Keep a fast for atleast 40 Saturdays. This fast should be started in the brighter half of the lunar month.
4. A mustard oil lamp should be lighted under a peepal tree.
5. Iron, black collyrium(kala surma), mustard oil, leather shoes, black cloth, liquor, black urd dal etc. should be donated on Saturday.
6. A ring made up of black horse shoe or nail of the boat or blue sapphire should be worn.
7. Serve the people of low birth or give donations to them.
8. Liquor or meat should not be consumed on Saturday.
9. The black collyrium (kala surma), should be put under earth, on Saturday.

10. The Almonds and coconut should be caused to flow in the river or running water, on Saturday.

11. Do not drink milk on Saturday night.

Though these remedies have been described, yet they should not be adopted by self. An able and learned astrologer should be consulted prior to applying these remedies. If these remedies are adopted properly and well in time, then the results of Saade Saati are not so sinister and adverse in effect, as they are told to be.

## Manglik Considerations

---

Mars is situated in the 12th house of your horoscope, which shows that you are a manglik. With the influence of Mars, you will undergo long journeys and gain profits from them. You may sometimes spend more than it is necessary. Physically you will have a good health but mentally you may undergo some tensions. The reason for this can also be due to your over ambitious nature. There are chances of your important work being delayed but you will be successful in facing the circumstances through your efforts and intelligence. There may be some delay in your marriage, but it will take place in a pleasant atmosphere. Your spouse will have a good health and you both will share a good relation. You will lead a happy married life.

With the aspect of Mars on 3rd house of your horoscope, you will be hard working and courageous, but you may lack self-confidence due to which you may not be able to build up your courage during difficult times. Your efforts may sometimes be fruitless. There are less chances of receiving happiness or profits from brothers and sisters. The aspect of Mars on 6th house of your horoscope indicates that you may sometimes be troubled by problems of blood, acidity, pimples and swelling. The aspect of Mars on 7th house of your horoscope shows that you may sometimes have differences with your spouse, but this will not have any influence on your married life.

To make your married life happier, you must marry only a manglik person. By doing so, your manglik effects will be cancelled. While matching the horoscopes, see to it that Rahu or Saturn is placed in any one house among the 1st, 4th, 7th, 8th and 12th house in the horoscope of the person whom you marry. This way you can lead a happy and prosperous married life.
